Religious Education Registration
2010-2011

Dear Families,

Registrations for the 2010/11 religious education school year are as follows. Registrations are due **ON OR BEFORE JULY 31**. Because of the need to recruit our volunteer teachers during the summer months, and the desire to keep class size small, we will not be able to guarantee your child a seat in class if you are not registered by July 31. Registrations may be mailed, dropped off at the Parish Office, or placed in the collection basket at Mass.

Please note:

In addition to providing faith formation for your children with a clearly defined, age appropriate religious education curriculum, the Archdiocese of Boston requires parishes to present a safety curriculum focusing on personal safety and abuse prevention to children in grades K-8. Topics to be covered and dates and times of these safety classes will be given to parents at the first class.

Volunteer Opportunities

Our religious education program would not be possible without the dedication of the many adult volunteers in our parish. Whether it is in the capacity of teacher or aide, each volunteer models for our children the example of Christ in their words and actions. Many people ask what are the prerequisites or qualifications of the volunteers in our religious education program. A volunteer in the program must:

1. have a willingness to share their love of Jesus and their Catholic faith with the children
2. be a person who leads a sacramental life, i.e., attends Mass on Sundays and Holy Days of Obligation, participates in the sacrament of Reconciliation
3. model their Catholic faith for the children and their parents
4. participate in a two hour training session, "Protecting God's Children", if they have not already done so. Training date TBA.

We ask you to prayerfully consider volunteering to assist in our religious education program. For more information on volunteer positions call Sue at the Religious Ed. Office at (978)388-0330 or email religioused@hfamesbury.com.
